

TRAILER RENTAL RATES

Gooseneck Trailer Rental

\$100/day

If you're more of a do-it-yourselfer and you've got access to a truck with a gooseneck hitch, you may be interested in a trailer rental. A full trailer load is equal to roughly EIGHT traditional pickup truck beds. This means if you have a ton of junk or prefer to take your time it may be a better bang for your buck than our junk removal services.

Please call us if you have questions regarding your truck's compatibility with the trailer.

We try to recycle as much as possible. Useable items are donated to local organizations. Please keep in mind that we do not accept hazardous materials. Please give us a call if you have any questions regarding what we can and can't accept.
